Pursuant to Public Notice released October 17, 2013 (DA 13-2025), filings that were due between October 7 and October 16 are due 16 days after the original filing date and extended to the next business day if the extended deadline falls on a weekend. Consequently, this document is timely filed. Due to live sports coverage, one episode of Whaddaydo and two episodes of Wild About Animals were preempted and rescheduled to run in their second home. On D2 because the live sports programming that caused the rescheduling ran long, the preempted rescheduled programs were further preempted and did not run. As a result of this unavoidable circumstance, the preempted programming did not run causing the technical average for the quarter to be just shy of 3 hours. On this report, we have rounded the programming up to 3 hours.
