Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is centered around six teen friends who attend Bayside High School and explores social themes and coping strategies needed to make the most of growing up in a complicated world. The multi-ethnic cast members serve as role models for the viewers as they deal with such issues as the death of a loved one, the right to say no, the meaning of heroism, teenage alcohol use and other issues of particular concern to young teens. This program will air on our secondary digital channel.
