Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Green Screen Adventures sparks enthusiasm for writing through age-appropriate sketch comedy, original songs, puppetry, and story theatre. The stories are based on the writing of elementary school students, ages 7-13. Children get the message that their words have power, that their voices are being heard. Our diverse Green Screen company of performers and writers reinforce critical writing skills and share positive social messages. Our educational mission emphasizes the four "C"s as well as the three "R"s - Curiosity, Confidence, Citizenship, Compassion.
