Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Turbo Dogs is an animated show based on the books (Racer Dogs) by Bob Kolar. The series follows a group of six dogs from Racerville who love to compete with one another in races. In each story, one or more of the dogs encounter and solve problems that teach them social-emotional lessons on good sportsmanship, teamwork, cooperation, playing fair, and friendship. The show also imparts information on the mechanics of racing like directionality and the concept of distance and time. The social-emotional messages are embedded through the stories using action and humor. The tag at the end of each episode reiterates and establishes the educational message learned by the dogs.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Shelldon" is an animated series about a school-aged yoka shell mollusk named Shelldon. He lives with his adoptive family, the Clams, in Shell Land, an undersea community populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases, they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct social-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the books published by Scholastic, Inc., the award winning animated science adventure series starring Lily Tomlin is the longest running children's science television series ever. With Ms. Frizzle and her pet lizard Liz, no field trip is ever ordinary. With the help of their magical, transformable Bus they go on cliff-hanging "field trips" in the human body, to the center of the earth, even far into outer space. When you're on the Bus with the Friz, you never know what's going to happen.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	BABAR is based on the beloved classic books by Laurent de Brunhoff. This animated series focuses on the story of a young orphaned elephant that goes to the big city to learn about the ways of people. He then returns to the jungle where he builds the city of Celesteville and is crowned King of the elephants. A dedicated ruler and father, Babar and his family experience many challenges, but Babar always finds the strength to rise above difficulty through strength and optimism. Each episode begins with a look into Babar's present life, primarily in his role as a father who teaches his children the value of people, things and relationships through his own experience from the jungle to the city and back again. BABAR reinforces pro-social messages that celebrate the bonds of family.

Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Edgemont is designed to entertain its core teen audience and also to inform and educate its viewers about issues that arise in school and at home. The storylines focus on social and emotional challenges faced by all secondary school students, from forming and maintaining family, friendship and romantic relationships, to ethical and moral choices. The objective of the series is to demonstrate models of behavior for teen viewers, allowing them to consider choices that they themselves may face, to witness the potential outcomes of these choices and gain positive tools that they can use to resolve issues and conflicts in a constructive way. Edgemont will air on the secondary digital stream.
