Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	The Station has terminated analog programming. The licensee's response to questions 7(b) therefore assumes that the Station's current main program stream serves as the equivalent to the Station's former analog channel. After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F.R. Section 73.670, with respect to all programs specifically designed for children ages twelve and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve and under that were not "educational or informational" programming: None.
