Length of Program	30 mins
Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Turbo Dogs is an animated show based on the books, Racer Dogs, by Bob Kolar. The series follows a group of six dogs from Racerville who love to compete with one another in races. In each story, one or more of the dogs encounter and solve problems that teach them social-emotional lessons on good sportsmanship, teamwork, cooperation, playing fair, and friendship. The show also imparts information on the mechanics of racing such as directionality and concepts of distance and time. The social-emotional messages are embedded through the stories using action and humor. The tags at the end of each episode reiterate and establish the educational message learned by the dogs.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Shelldon is an animated series about a school aged yoka shell mollusk who lives with the adoptive family, the Clams, in an undersea community called Shell Land, which is populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode of the show. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socio-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Magic School Bus is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges them to make connections and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 7 to 9 and in addition to all the factual content, the children also have a socio-emotional problem to solve that is embedded into the story line.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets, an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the cool group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4 to 8-year-old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin, Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, Pearlie approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order. Pearlie Episode #PEA111 was preempted on 1/1/11 in order to air NBC's Tournament of Roses Parade.

Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILD AMERICA is targeted to children ages 13-16. The key educational objective of the program is to familiarize children with the animals of the North American content, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. Each episode of the series will be specific to a particular animal. Topics will range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species. We expect that children viewing the program will achieve a greater understanding of nature and specific animal species because of the up-close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North American and learn to protect its natural species.

Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	6 years to 12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Traveling Trio is an adventure-filled educational series presented by three siblings who traverse the globe while exploring, learning and teaching viewers about our amazing world and all it has to offer. The Traveling Trio provides CORE programming in the areas of geography, history, foreign language, social studies, and cultural awareness. The show meets the educational/informational objectives by presenting the location of the country with animated maps which show the current flag and surrounding countries; showing the hosts as they visit foreign countries; teaching about the culture and history of each location; making contact with local children and adults in each location; presenting foreign language as an obtainable skill through simple language lessons that are delivered by the hosts with the help of several children from the featured country; showing that children around the world are just like the hosts and the viewers. All children play, learn and make friends due to their natural propensity to be inquisitive; peer mentoring - youthful interaction makes kids feel more comfortable and allows the learning process to have a greater impact.

State	AL
Zip	36105
Telephone Number	(334) 288-1212
Email Address	mwilder@wsfa.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	<p>Amendment Filed 3/1/2012: On February 20, 2012 we discovered that our PSA publicizing the existence and location of the Children's Television Programming Report (FCC 398) had inadvertently been replaced in the on-air rotation with another PSA. We are filing this amended report to accurately reflect in #15 above that the Children's PSA did not run during the quarter. Beginning 3/1/2012 and going forward, we will periodically check the video record of our on-air broadcasts to insure that the PSA is airing as scheduled. Our original 1st Quarter 2011 FCC 398 Report was filed timely on 4/7/2011. Pearlie Episode #PEA111 was preempted on 1/1/11 in order to air NBC's Tournament of Roses Parade. The Mustard Pancakes episode scheduled for air on Thursday, 2/24/11 did not air due to technical difficulties. Episode was not rescheduled. (Refers to #12, Program 3) See public file for public service announcements designed specifically for children, including "The More You Know" series of PSAs on subjects such as the environment, mentoring, judging, tolerance and violence prevention. "The More You Know's" comprehensive website (themoreyouknow.com) provides in-depth referral information, in connection with the on-air public service announcements. Content includes: video of all current public service announcements, a general campaign overview, message boards, press releases, kids pages and referral information by topic to partnering agencies referenced in the PSAs. The site includes a comprehensive list of the campaign's accolades, including Emmy and Peabody awards. In addition, a behind-the-scenes story with clips from talent interviews can be viewed.</p>

Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is an animated comedy series based on the children's book series Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4 to 8-year-old range, Pearlie focuses on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie's nemesis and cousin, Saphira, often takes advantage of Pearlie's good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, Pearlie approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Program Title	Wild America (WSFA 12.2/RTV)
Origination	Network
Days/Times Program Regularly Scheduled	MON 7:30am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	WILD AMERICA is targeted to children ages 13-16. The key educational objective of the program is to familiarize children with the animals of the North American content, their interaction with other animals and their environment. Throughout the series emphasis will be placed upon protecting endangered species and the impact that humans have while interacting in their environment. Each episode of the series will be specific to a particular animal. Topics will range from basic food gather, mating, natural enemies, relationships to other animals, and the interaction of the specific ecology on the survival of the species. We expect that children viewing the program will achieve a greater understanding of nature and specific animal species because of the up-close and detailed photography of the series. Through this understanding, it is hoped children will better relate to the natural environment as it exist in North American and learn to protect its natural species.
