Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This is an animated series about Shelldon, a school aged yoka shell mollusk who lives with the adoptive family, the Clams, in an undersea community called Shell Land, which is populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman a hermit crab) face a specific challenge in every episode of the show. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socio-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa's Wild Life is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa's Wild Life lives at home with her father and pets--an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa's Wild Life faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa's Wild Life works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa's Wild Life figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the "cool" group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa's Wild Life finds a way to analyze her situation and learn from experience.
