Number of Preemptions	0	
Number of Preemptions for other than Breaking News		
Number of Preemptions Rescheduled		
Length of Program	30 mins	
Age of Target Child Audience	13 years to 16 years	

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sports Stars of Tomorrow features student athletes and their dedication to succeed in their sport while excelling in their academics and maintaining their personal lives. This show illustrates the importance of the many outstanding extracurricular activities students participate in, showing how each is a vital element to the entire student body. The band, cheerleader, drill team, as well as both girls and boys athletic programs are highlighted on Sports Stars of Tomorrow creating a balanced picture of the extracurricular activities available for the high school student. Education extends beyond the classroom. Extracurricular activities provide important challenges and lessons that mold students. Sports Stars of Tomorrow displays the hard work and dedication that it takes to be a true sports star. It chronicles the trials and tribulations of the young athletes as they strive to become a "top level" performer in the sports arena. The program helps students realize that their full potential in both life and the playing field are attainable with lots of hard work and determination.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Dragonfly TV is a weekly half-hour science television series that meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The program highlights children doing projects with real hands-on experience and demonstrates practical applications of mathematics and science. It introduces young viewers to a variety of scientific disciplines and challenges them in critical thinking and problem solving skills, while providing valuable information to reach answers. Each episode is engaging, entertaining and educational in structure, allowing children to investigate science on their own. Dragonfly TV is closed-captioned for the hearing impaired and displays the E/I icon throughout the broadcast.
