Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Astroblast! is the space station and home of six animal characters in Bob Colar's book series of the same name. The space station is managed by an over-confident and exuberant commander, Comet the dog. The crew includes, Sputnik the pig, a very knowledgeable reader; Haley, a rabbit, Comet's true peer and an athlete; Radar, the monkey, who is somewhat self-involved, Jet, a silent alligator whose gestures and expressions are his mode of communication, and Sal, a congenial 3-eyed octopus who runs the counter in the Smoothie Shack, the space station cafe. While the space station supports the missions of a bizarre and diverse array of aliens, the Smoothie Shack is the hub of social interaction for the galaxy. There is always something happening at Astroblast! And everyone on the crew has plenty to learn to keep the community happy and on an even keel.

Length of Program	30 mins
Age of Target Child Audience	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Chica Show features a five-year-old "baby" chick that spends her days with her parents in their costume shop, the Coop. The shop's one employee, Kelly, doubles as Chica's nanny and the ensemble is rounded out with Bunji, a large floppy eared rabbit and Stitches, a straw mannequin that sits in the window. Chica's parents were formerly entertainers in the vaudeville tradition and they regale the audience with stories and songs from their theatrical past. They enjoy and indulge Chica, who sometimes acts younger than her age and gets into all kinds of predicaments. Kelly uses fantasy play to transform herself, Chica, Bunji and Stitches into animated characters in another universe, who are struggling with a problem similar to the one Chica experienced in the Coop. Without fail, they find the problem can be solved and they carry that knowledge back to the Coop to use on another day.

Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Tree Fu Tom is a live action/animated series about a little boy who lives in a rural area, yet has a rich fantasy life in the woods behind his home. Tom uses specific movements to summon up magic powers that permit him to morph into an animated hero and fly around in Treetopolis, the fantasy version of his woods. While in Treetopolis, Tom and his friends, Ariella, Twigs, Squirmturn and Zigzoo will invariably run into a problem or disaster that needs fixing. Tom calls upon the audience to practice original dance moves that will bring him "Big World" magic so he and his friends can resolve their challenge of the day. Educational messages reinforce positive socio-emotional content, with examples that model: being loyal to good friends, knowing how to ask for help, doing the right thing instead of what is convenient, making the effort to share rather than being selfish and relying on teamwork in order to accomplish a goal.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Lazy Town is a show featuring the importance of health, fitness, and being good friends. Set in a fantasy world known as Lazy Town, which is populated by inactive residents, we meet a visitor named Stephanie who is determined to coax her friends and relatives into adopting a healthful, active life style. She wins over her new friends, Ziggy, Stingy, Trixie and Pixel, convincing them to leave their gaming consoles and candy stashes at home so they can go outside and play. She persuades her uncle, Mayor Milford Meanswell, and his friend Ms. Busy Body to support her efforts. Robbie Rotten, who lives underground, and is determined to return Lazy Town to its former state of inactivity and quiet, constantly foils the characters' efforts. Coming to the rescue is the athlete Sportacus who lives in a zeppelin-like aircraft and receives signals from the kids or the Mayor whenever they need help. Sportacus has two goals, to keep the peace and to promote healthful, positive living. When Robbie Rotten is discovered and contained through comic pratfalls, he returns to his underground lair and all is well in Lazy Town, until another day and another time when Robbie will rise again.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Poppy Cat, based on the book series by Lara Jones, models the use of imagination and storytelling to encourage creative thinking in viewers. Each episode features the narrator Lara, reading a story about Poppy Cat, to her own cat (who is also named Poppy). She weaves an exciting tale following her imagination, which leads her to distant lands reached by boat, plane, hot air balloon or train. Each story features Poppy Cat as the leader of a group of animal friends, the resident bully Egbert the badger, and other occasionally recurring characters. A prevailing message emerges within each episode to be nice to your friends and always work together. There remains an overarching implicit message within every episode as well: think creatively and exercise your mind through reading and storytelling - for these activities always lead to enjoyment and adventure.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Noodle and Doodle is a full-length, live-action series featuring arts, crafts and cooking for preschoolers and their families. Hosted by Sean, Sprout's master artist and co-host of The Sunny Side Up Show (Sprout's morning block and only LIVE show on television specifically designed for the preschool audience), Noodle and Doodle features arts, crafts and healthy recipes inspired by real preschoolers' experiences. With his new friends Noodle, a loveable puppet who likes to help in the kitchen, and Doodle, a virtual, electronic friend, Sean leads real preschoolers and viewers at home to make all kinds of kid-friendly creations. Viewers will discover healthy recipes and clever crafts that families can create together using materials from around the home. All of the cooking and crafting takes place inside a whimsical double-decker bus where Sean and his helpers demonstrate step-by-step "how to" creations in an engaging, simple way that families can recreate at home. Also along for the ride is Sean's dog Doggity, an adorable beagle with the special ability to take viewers into his imaginary, animated world where culinary canines use teamwork to solve problems and cook up treats in their own kitchen during a segment on Noodle and Doodle called Doggity's.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Animal Atlas" is an entertaining and educational half-hour wildlife program shot exclusively in High Definition. The show introduces young viewers to every kind of animal imaginable, from the familiar to the astounding, including apes and giant lizards, sharks and tigers, and all other animals from the Americas, Africa, Asia, Australia, and everywhere in between. Animal Atlas promotes a better understanding of how various animal species live and what they need to survive. Each episode stands alone as an entertaining look into the world of animals- whether visiting a particular group of animals, such as big cats, or meeting the animals of an entire continent. Through Animal Atlas, viewers discover the variety of places that animals live, how they find food, and how they play. The show also looks at how family units operate, from a community of thousands of prairie dogs, to a pride of lions, to a school of fish. Certain episodes also explore animal features such as diet, locomotion, adaptation, and how animals take care of their young. Along the way, Animal Atlas educates young viewers about endangered species and provides information on how to support wildlife conservation. For a population of young viewers attuned to the importance of going "green," Animal Atlas is not only entertaining, it is culturally relevant and important. Animal Atlas offers an incredible and wildly entertaining adventure through the animal world. Learning about animals has never been more fun! Just spin the globe. Anywhere, everywhere animals live, you'll find Animal Atlas.

Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus (a gymnast/athlete prepared to answer any call for help) comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities that include playing games, competing athletically, and even building forts and play structures.

The show also looks at how family units operate, from a community of thousands of prairie dogs, to a pride of lions, to a school of fish. Certain episodes also explore animal features such as diet, locomotion, adaptation, and how animals take care of their young. Along the way, Animal Atlas educates young viewers about endangered species and provides information on how to support wildlife conservation. For a population of young viewers attuned to the importance of going "green," Animal Atlas is not only entertaining, it is culturally relevant and important. Animal Atlas offers an incredible and wildly entertaining adventure through the animal world. Learning about animals has never been more fun! Just spin the globe. Anywhere, everywhere animals live, you'll find Animal Atlas.
