Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is a family-friendly educational television program for pre-schoolers. Specifically themed shows address the learning needs and potential of young children as they entertain, amuse and delight viewers of all ages through a combination of live action and dynamic 3-D animation. The show is hosted by a positive adult female role model who connects with her young viewers in a gentle, caring way in the same familiarity that children associate with their mothers. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that children will choose to adopt and imitate. Scripts are designed to promote actions that support interpersonal skills such as helping others, negotiation, cooperation, sharing and tolerance with an ending (Gina D's letter to grandma) that reinforces those educational objectives. Content is lively and fun, produced with state-of-the-art computer animation and original positive songs and characters.
