Digital Core  
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Age of Target Child Audience	13 years to 16 years	

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Real Winning Edge is a weekly half-hour E/I (13-16) series introducing viewers to some of the most incredibly talented young people in America. But it's more than a showcase for kids with exceptional talent and athleticism. It's about teenagers who've built character through their struggles. Through interviews and profiles,these remarkable young people provide honest answers about how they dealt with adversity in their lives. Each half-hour program includes three segments featuring the personal stories of outstanding young people. The stories are introduced by an all-star team of high profile, professional celebrities. It is a program that encourages young people to see beyond their own circumstances and realize they are not alone in their struggles.
