**Digital Core
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	6.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	DOODLEBOPS - I
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays @ 7:00am
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>The Doodlebops is a live action show designed to teach life lessons to children under elementary school age, and is intended to promote social and academic readiness. The main characters are the three members of the Doodlebops musical band, their jazzy neighbor MAZZ and their driver Bus Driver Bob. Each episode explores social issues, such as the importance of persistence or the value of openness to new things. The program emphasizes an appreciation of music, and integrates the social lessons into original songs that are repeated through the episodes. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.</p>
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Program Title	BUSYTOWN MYSTERIES - I
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays @ 8am
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Days/Times Program Regularly Scheduled	Saturdays @ 11am
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	9 years to 11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The purpose of this series is to introduce viewers aged 9-11 to the period leading up to, during and immediately following the American Revolution. Each episode focuses on placing historical events and pivotal figures within an age appropriate context that provides young people with an exciting opportunity to experience this period of history through the eyes of a similar demographic. The programs also include interstitial segments that provide facts in both a newscast and game format, reinforcing the topic of the episode. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Age of Target Child Audience	2 years to 6 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is an exciting, educational series for pre-schoolers. Specifically themed shows address the learning needs and potential of young children as they entertain, amuse, and delight viewers through a combination of live action and dynamic 3_D animation. This curriculum-based pre-school program aims to teach children social skills, language arts, and math through dances, silly songs, and colorful skits. The show is hosted by a positive adult female role model who connects with her young viewers in the same manner that children relate to a young teacher. Each show concludes with Gina D writing a letter to her Grandmother to review the educational highlights of the day's events at the clubhouse. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that viewing children will choose to adopt and imitate. This program airs on WLTX channel 19.3.

<p>Describe the educational and informational objective of the program and how it meets the definition of Core Programming.</p>	<p>Mouse in the House is a series that serves the educational and informational needs of children through its emphasis on learning science and math. The program presents children conducting a variety of scientific experiments, providing an excellent introduction to the scientific method in a manner that is both informative and enjoyable. Each episode presents several experiments, conducted by children and easily repeated by young viewers. The series presents accessible explanations of everyday physics, encouraging children to be curious and engaged with their surroundings and providing an excellent complement to classroom instruction. This program airs on WLTX Channel 19.3.</p>

Age of Target Child Audience from	3 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The Doodlebops is a live action show designed to teach life lessons to children under elementary school age, and is intended to promote social and academic readiness. The main characters are the three members of the Doodlebops musical band, their jazzy neighbor MAZZ and their driver Bus Driver Bob. Each episode explores social issues, such as the importance of persistence or the value of openness to new things. The program emphasizes an appreciation of music, and integrates the social lessons into original songs that are repeated through the episodes. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Program Title	Gina D's Kids Club
Origination	Syndicated
Days/Times Program Regularly Scheduled	Sundays @ 11:30am
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Gina D's Kids Club is an exciting, educational series for pre-schoolers. Specifically themed shows address the learning needs and potential of young children as they entertain, amuse, and delight viewers through a combination of live action and dynamic 3_D animation. This curriculum-based pre-school program aims to teach children social skills, language arts, and math through dances, silly songs, and colorful skits. The show is hosted by a positive adult female role model who connects with her young viewers in the same manner that children relate to a young teacher. Each show concludes with Gina D writing a letter to her Grandmother to review the educational highlights of the day's events at the clubhouse. The major premise of Gina D's Kids Club is establishing and reinforcing positive values and behaviors through original songs and character performances that viewing children will choose to adopt and imitate. This program airs on WLTX channel 19.3.

Days/Times Program Regularly Scheduled	Sundays @ 12:30pm	
Total times aired at regularly scheduled time	13	
Length of Program	30 mins	
Age of Target Child Audience from	9 years to 12 years	

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

Mouse in the House is a series that serves the educational and informational needs of children through its emphasis on learning science and math. The program presents children conducting a variety of scientific experiments, providing an excellent introduction to the scientific method in a manner that is both informative and enjoyable. Each episode presents several experiments, conducted by children and easily repeated by young viewers. The series presents accessible explanations of everyday physics, encouraging children to be curious and engaged with their surroundings and providing an excellent complement to classroom instruction. This program airs on WLTX Channel 19.3.
