The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges them to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 6 to 10 and in addition to all the factual content, the children also have a social-emotional problem to solve that is embedded into the story line.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Pearlie" is an animated comedy series based on the children's book series, Pearlle the Park Fairy by Wendy Harmer. Pearlle is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 6 to 10-year-old range, episodes focus on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order, she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin, Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, Pearlle approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

Each Monday and Thursday during the quarter, our meteorologists conduct a 30 minute interactive presentation called "Storm School" for children 14 and under. Students are encouraged to bring in their report cards to a sponsor location. With just one top grade, each student receives a prize pack including arcade games, ice cream and discounts to a local amusement park. And three times a school year, we draw one winner for 10 free passes to a local amusement park.</p> <p>THE GOLDEN APPLE AWARD Each month during the school year, WHO-DT and a corporate partner honor one teacher in our viewing area that goes beyond the call of duty. Nominations are taken from letters written by children at the school that think their teacher should be recognized. Then on the last Monday of the month, we visit the school and surprise our deserving teacher with the honor at a school assembly. It teaches children appreciation of all teachers and motivates other teachers to aspire to achieve the same recognition from their students.</p>
