Culture Click is a weekly half-hour series that explores the genesis of - and reasons behind- cultural events that permeate our everyday lives. Developed and produced for viewers aged 13-16, host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's work of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The purpose of THE REAL WINNING EDGE is to draw youth to the conclusions that right choices give one the winning edge in life. Each week the program profiles young achievers who are peer role models. These role models are introduced by the best of American celebrity status athletes and professionals who have also triumphed through challenges and adversity. Several topics/principles are taught in the series such as choosing love over prejudice, overcoming family tragedy, defeating substance abuse, and living by godly principles. will air on wabg's secondary channel
