Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Astroblast!" follows the adventures of a crew of space animals who run the Astroblast Space Station - the coolest hangout in the galaxy. The team of animals who run it are the best of friends - Comet, Halley, Sputnik, Radar and Jet - all under the watchful eye of Sal the Octopus. But when you stick five friends with very different personalities in one place - things are bound to get messy. Through it all, the "Astroblast!" crew accept their differences, help one another, make new friends, and discover that getting along is always out of this world. Every day brings a new adventure - big and small - whether it involves getting ready for a surprise birthday party for a Gremulon princess, dealing with demanding dairy-obsessed customers from the Milky Way, making peace between two spaceships of hungry space pirates, or helping a scary-looking, but shy, visitor make friends when no one will sit with him at lunch. "Astroblast!" is a Sprout original series that is co-produced with Scholastic Media, a division of Scholastic Inc, the global children's publishing, education and media company. Astroblast! is inspired by the books of the same name by award-winning author and illustrator Bob Kolar.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Lazy Town promotes fitness and healthful habits for children of preschool and primary grades. It takes place in an imaginary setting, Lazy Town, and most episodes relate children's eating and fitness habits to problem solving in their "real world." The lead character, Stephanie, guides the audience through the story. She and her best friends, a group of "human" puppets reside in Lazy Town, where her uncle is the Mayor Milford Meanswell. The underground spy and influencer who defines the ethos of Lazy Town is Robbie Rotten, and he determined to ruin the health and fitness practices of Stephanie and her friends. When the kids get into difficulties with Robbie Rotten, it is Sportacus, gymnast/athlete who comes to the rescue from his home in a spaceship that hovers over earth, prepared to answer to any call for help. The ever-present theme of Lazy Town is to eat "sports candy" which consists of fruits and vegetables, get sufficient sleep, and go outside and engage in a wide range of physical activities, from playing games, holding athletic competitions, to building forts and play structures.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Utilizing humor as a powerful learning tool, GSA sparks enthusiasm for writing through age appropriate sketch comedy, original songs, puppetry, and story theatre. By basing the stories on the writing of elementary school students,ages 7 -13, children get the message that their words have power, and that their voices are being heard. GSA provides something that educators can't necessarily offer or replicate in a school setting, as it gives students a real world connection to their writing. Young students have the opportunity to understand the impact of writing on a broader audience by submitting their own writing to the show for consideration and adaptation. Green Screen's company of performers and writers reinforces critical writing skills and emphasizes positive social messages.In addition to academics kills, GSA focuses on the five Cs: Creativity, Curiosity, Confidence, Citizenship, Compassion.
