Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SPORTS STARS OF TOMORROW displays the hard work and dedication that it takes to be a true sports star. It chronicles the trials and tribulations of the young athletes as they strive to become a "top level" performer in the sports arena. The program helps youngsters realize that their full potential in both life and the playing field are attainable with lots of hard work and determination. It reinforces the importance of key values like dedication, discipline, commitment and community involvement. "Sports Stars of Tomorrow" also provides in-depth, human-interest stories that reveal the important challenges and lessons that mold our young athletes. "Sports Stars of Tomorrow" recognizes those athletes that have learned "life lessons" along the way while battling varying obstacles. These stories inspire and teach our youth that while many desire greatness on the grand stage of competition, much can be learned through the journey that can make a significant difference throughout one's life. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This is a teen-hosted program that profiles individuals and organizations committed to environmental issues, reports on the latest recycling and nature conservation efforts and advances in renewable energies and carbon footprint-reducing technology, and offers advice on how to be more eco-wise while performing daily activities. The show also includes "eco bytes"(bits of trivia related to environmental issues) and video footage uploaded by teen viewers to the show's website. This kid-friendly series uses peer reporting to address various environmental issues from a youthful point of view. By doing so it enthusiastically encourages young adults to become more proactive about environmentalism rather than just talking about the importance of living green. It also stresses the positive impact that young people's efforts, no matter how small they might seem, can have on the larger world around them. This program aired on the main digital stream, WSYT-CH19.
