Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Culture Click explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. The show opens each episode with a list of what's trending on search engines that week. These topics are a jumping-off point for a deep dive into the culture viewers 13-16 embrace. Host, Nzinga Blake, will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture join her to add insight and historical perspective. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click. Main Digital Channel.
