Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	It is during the adolescent years that career exploration, planning, education, and decision-making begins. There is no question that a career in one of the multimedia industries in among the most popular career choices of adolescents. Although many feel their calling is for a more obvious "on-camera" career in acting, there are also a number of "behind the screen" pursuits that make for fulfilling career choices. Made in Hollywood: Teen Edition (MIH:TE) was created by Connection III Entertainment Corp. to provide career information and advice from top Hollywood professionals to 13 to 16 year old viewers so they can "explore and learn about the technical, artistic, creative, business, and administrative careers that are a part of the motion picture, television, music video, and home entertainment industries" (Barry & O'Neil, 2006, p.1) To guide the production of MIH:TE, Berry (2006) developed a career and guidance model that offers a framework for the development of each episode. This program meets the definition of "core programming" because it serves the educational and informational needs of children 16 years and under.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Early and middle adolescence is an exciting yet a challenging period in one's life. Adolescents across the demographic spectrum and from all walks of life grapple with a number of pivotal but normal developmental milestones, such as preparing for more independence and responsibility, and experiencing change in relationships with family and peers. With increased self-reliance, young people make more of their own choices. And all the while, one cannot overlook that they grow in a dynamic, diverse, and complex world that offers both opportunities and social challenges. The series features: Inspirational segments and teen success stories of character and personal determination in the arts, school, sports, and community; considers topics such as social responsibility and justice, perseverance, leadership, academic achievement, volunteerism, and lfe skills such as the importance of exercises and nutrition. The goals of the series are to encourage the 13 to 16 year old audience to: (1) explore, discover, and learn strategies to achieve personal dreams; (2) learn about the personal attributes important for achieving dreams; (3) explore volunteerism as an opportunity to build character and to uncover personal passions; and (4) gain knowledge about skills necessary to "Live Life and Win!". This program meets the definition of "core programming" because it serves the educational and informational needs of children 16 years and under; it airs between 7A and 10P; it is regularly scheduled; it is 30:00 in length; it displays the E/I symbol throughout the program and the educational /informational objective and target child audience for the program are provided to program guide publisher. tis program aired on the multicast digital channel.

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Great Big World Elizabeth Stanton's Great Big World provides dynamic core programming in the areas of particular concern to young teens; including global, social, educational, and wellness issues. Award-winning teen hostess Elizabeth Stanton and select celebrity friends travel around the world volunteering in areas of specific need - ranging from feeding the hungry in the slums of Kenya to bringing hearing aids To Vietnamese neighborhoods whose citizens have experienced high rates of profound deafness and hearing loss. Great Big world offers a dynamic television experience for teens - combining the exciting, fun, and diverse experiences of world exploration with the life-changing volunteer opportunities available in these same areas. Various age-appropriate global issues are introduced to the viewing audience through in-depth and thoughtful interviews with Elizabeth, her travel buddies, and the friends they meet along their journey. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors in addition to educating them on where and how to find volunteer opportunities.
