British teen Sarah sees both sides of the war and doesn't like either, while American teen Gregory is a passionate defender of freedom and liberty. French orphan Henri, who is also taken in by Ben, may be younger than his new big brother and big sister. But he often sees most clearly. The series is packed with action, yet it confronts moral decisions head on. It is not concerned with the politics of history, but uses the drama of the events as a backdrop for the conflicts faced by its protagonists.</p>
