Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The half-hour weekly series, Sea Rescue, features the rescue, rehabilitation and - in many instances - release back into the wild of ocean wildlife. Produced for ages 13-16, Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. Viewers will also learn that there's a reciprocal benefit: rescued animals provide valuable insight into their biology and ecology. This information adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue will leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. The Saturday, August 25, 2012 episode was preempted due to live ABC Network coverage of Little League World Series. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	In this weekly half-hour series developed and produced to educate and inform viewers ages 13-16, our hosts scan the country finding those who 'pay it forward' to promote health and wellness. The remarkable people that viewers meet are referred to as 'agents of change,' special individuals who are making big changes in people's lives, one small step at a time. Everyday Health is a series that uniquely raises awareness to help fight obesity, raise self-esteem, establish physical fitness habits and prevent negative health choices. An inspirational program about people who confront challenges by taking control, Everyday Health, through captivating storytelling, reports on amazing teens and other selfless Americans who are 'paying it forward' with good will and new ideas that will inspire other teens to take action. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22-year-old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought with Claire Thomas. Each weekly-half hour episode, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13- to 16-year- old viewers by sharing stories in the kitchen that demonstrate her passion for her family, life, and healthy living. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, sometimes even from bloggers seeking her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the "inspired" dish while promoting a healthy attitude towards food and life.
