Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	336.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	7.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Digital Core
Programs(19)

Digital Core Program (1 of 19)	Response
Program Title	Turbo Dogs (NBC Digital 3.1)
Origination	Network
Days/Times Program Regularly Scheduled	SA 10am
Total times aired at regularly scheduled time	13
Total times aired	14
Number of Preemptions	1
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Sportsmanship, teamwork, playing fair and friendship are stressed in these shows based on the 'Racer Dogs' books by Bob Kolar. Viewers also see the mechanics of racing and the technicalities of directionality, distance and time. This quarter, episodes dealt with specific topics such as knowing when to give up on things that are special to you; understanding that everyone is good at something; and the best way to get over a fear, is to face it head-on. For the show on Nov. 19, :15 pre-emption announcement #5827 ran 6 times 11/10 - 11/19, and :15 re-scheduling announcement #5828 ran 8 times 11/21-11/26.
Does the Licensee identify the program by displaying throughout the program the symbol E/I?	Yes

Digital Preemption Programs #1

Questions	Response
Title of Program	Turbo Dogs (NBC Digital 3.1)
List date and time rescheduled	11/26 1pm
Is the rescheduled date the second home?	Yes
Were promotional efforts made to notify the public of rescheduled date and time?	Yes
Date Preempted	
Episode #	11/19 TDO 126

Reason for Preemption	Sports
-----------------------	--------

Digital Core Program (2 of 19)	Response
Program Title	Shelldon (NBC Digital 3.1)
Origination	Network
Days/Times Program Regularly Scheduled	SA 10:30am
Total times aired at regularly scheduled time	13
Total times aired	14
Number of Preemptions	1
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Problems faced by a young child are modeled in this animated series featuring a mollusk living with an adoptive clam family. Issues include adjusting to a blended family, school adjustments and dealing with a greedy neighbor who threatens their environment. Shows also present information on sea life habitat and environmental conservation. Specific episodes this quarter dealt with topics including: helping a friend in a tough situation will also make you feel good; it takes practice to be successful at something you love; and believe in yourself and you will accomplish what needs to be done.For the show on Nov. 19, :15 pre-emption announcement #5827 ran 6 times 11/10 - 11/19, and :15 re-scheduling announcement #5828 ran 8 times 11/21-11/26.
Does the Licensee identify the program by displaying throughout the program the symbol E/I?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Laura Hand
Address	1030 James Street
City	Syracuse
State	NY
Zip	13203
Telephone Number	(315) 477-9400
Email Address	lhand@cnycentral.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	We welcome school groups for station tours, and on-air staffers do in-school appearances to read or speak on their jobs. We also attend career-choice fairs for middle- and high schoolers, who are also encouraged to job shadow. We provide internships for college-level students in several areas of our stations' operations. At all levels, we are committed to age-appropriate interactions that encourage skills to help students get job-ready, including reading, math and understanding technology and the social and academic steps in the career planning process. We also discuss social media and possible negative consequences of personal picture posting, for future school and job applications. Some station-wide events, including our Toys for Tots holiday drive, encourage young givers and teach them the importance of life-skills like volunteering and helping others. On-air, we also show 'CNYCentral Athlete' weekly, featuring high school sports stars who are also academic standouts.
