Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	194.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	4.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This is an animated series about Shelldon, a school aged yoka shell mollusk who lives with the adoptive family, the Clams, in an undersea community called Shell Land, which is populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowry shell mollusk) and Herman (a hermit crab) face a specific challenge in every episode of the show. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In all cases they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct socio-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.
Does the Licensee identify the program by displaying throughout the program the symbol E /I?	Yes

Number of Preemptions Rescheduled	1
Length of Program	30 mins
Age of Target Child Audience	6 years to 10 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Willa's Wild Life is a new animated series centered on a six-year-old girl, and her menagerie of animals. Willa lives at home with her father and pets, an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa's Wild Life works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Pearlie is a park fairy with a giant-sized heart and a wardrobe to match. Appointed by Fairy HQ, Pearlie keeps Jubilee Park in sparkling order. She's a type A personality full of nutty, over the top plans, parties and events for the park and its residents. She has assistance in Jasper, her right hand elf, although he prefers chilling out to real work. There's also Opal, an outback fairy from Australia sent to learn the ropes of park management from Pearlie. But all isn't perfect in Jubilee Park. Pearlie's cousin Saphira is jealous of Pearlie's popularity in the fairy world and desperately wants her job. With her incompetent assistant Ludwig, a bat with a heavy German accent, Saphira sets out to spoil perky Pearlie's day any way she can. Pearlie remains oblivious - always thinking the best of her cousin - while Opal and Jasper are more hip to Saphira's game. Saphira resides in the park's greenhouse, running a day-spa for well-heeled fairies, butterflies and the odd goblin fairy inspector.

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e) (11)(iii)?	Yes
Name of children's programming liaison	ASHLEY KINZIE
Address	401 3RD STREET SW
City	ROANOKE
State	VA
Zip	24011
Telephone Number	540-512-1566
Email Address	akinzie@wsls.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	After due review of internal station records and documentation provided to us by program suppliers, the licensee hereby certifies that the station fully complied with the FCC's commercial limits in children's programs, as specified at 47 C.F. R. Section 73.670, with respect to all programs specifically designed for children ages twelve and under. In addition to the educational or informational programs listed in this report, the station broadcast the following programs specifically designed for children ages twelve and under that were not "educational or informational" programming. "NONE"
