Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>The Magic School Bus is based on a series of children's books about science written by Joanna Cole. the show features the ingenious Mr. Frizzle, an elementary school teacher and intrepid explorer who piles her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each othe and with Ms. Fizzle, who nudges them to "make connections" and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children ages 6-10 and in addition to all the factual content, the children also have a social-emotional proble to solve that is embedded into the story line.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Set in medieval times, "Jane and the Dragon" is an animated show based on Martin Baynton's best-selling book about a middle-class medieval girl named Jane. Jane is raised in the Royal Court as a Knight-in-Training after she demonstrates her courage by leaving the castle to conquer the local dragon. The giant green Dragon, whose sense of humor exceeds his ferocity, instead becomes Jane's best friend and a part of the castle community. In each episode, Jane encounters a challenge that tests her problem-solving skills and requires her to demonstrate her strength of character as a Knight of the King's Guard. Sometimes Jane learns a moral lesson, and other times she uses her analytical ability to illustrate how a problem can be made less complicated and easily solved.
