| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | A significant purpose and key educational objective of this half-hour program is to illustrate the importance of responsible problem-solving. Dive Olly Dive follows the adventures of Olly, a young submarine in training and his best friend and fellow sub in-training Beth. Olly and Beth are stationed in a deep sea research facility called SURF (Special Underwater Research Facility) under the guidance of Diver Doug. Olly is an enthusiastic young sub who is very eager to finish his training and follow in the foot steps of his hero Submarine D, the greatest of all submarines. Each episode is filled with valuable lessons through Olly's adventures. In facing a variety of challenges and problems, Olly and viewers learn the importance of friendship, patience, teamwork, confidence, respect, trust, honesty, and selflessness, all qualities that are required to develop the necessary skills in responsible decision-making. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This animated program has four educational goals: to celebrate the power of inventing imaginative stories, to introduce basic literary concepts, to help viewers develop listening and comprehension skills, and to enrich vocabulary through storytelling. Pinky Dinky Doo, a 7-year-old girl, lives in the "great big city" with her parents. When a problem arises, Pinky dances her way to a cardboard story box and uses a piece of chalk and her imagination to tell a story. During the made-up story, Pinky must "think big" at which point she comes up with an often clever and wacky solution to the problem. To encourage listening skills, Pinky then invites children to play games where they review details about the story. Children are helped to increase their vocabularies with each episode's "Great Big Fancy Word," which is featured several times during each episode. |
