Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	Please note that KFVS has chosen to consolidate core E /I programming for our multicast channels by airing 6 hours per week of E/I programming on 12.2 (The Heartland's CW), satisfying the 3 hour requirement for 12.3 (Weather Channel). MVPD carriage for 12.2 is higher than MVPD carriage for 12.3. Because station KFVS ceased analog operations and converted to digital-only operations prior to the start of the reporting period, Questions 7(b) and 7(c) are no longer applicable.

"Animal Atlas" is an entertaining and educational half-hour program that explores the world of animal wildlife, promoting a better understanding of how various animal species live and what they need to survive. With an entertaining narrative, the series combines focused examinations of certain topics such as "Animal Appetites" (which explores the various diets of animals along with information about how animals catch and eat their food, how diets determine their lifestyle, etc), "Animal Antics", (a hilarious look at the crazy physical antics and talents of certain species), "Animal Babies" (an intimate look at babies of various species, how they are born, how they are raised and the difficulties and delights of growing up), along with shows which focus solely on certain animals. In these shows a thorough and entertaining exploration of the specific animal takes the viewer into that animal's world as we see where it lives, how it eats, how it plays, how the family unit operates, and what threatens and supports its survival. "Animal Atlas" also promotes responsibility toward wildlife issues by educating the viewer about endangered species and wildlife habitats, as well as informing vewers how to support wildlife conservation.
