**Digital Core  
Programming**

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	4.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program addresses areas of particular concern to young teens; including global, social, educational and wellness issues. Elizabeth and select celebrity friends travel around the world volunteering in areas of specific need. The program combines exciting, fun and diverse experiences of world exploration with life-changing volunteer opportunities. Various age-appropriate global issues are introduced to the viewing audience through in-depth and thoughtful interviews. In addition, Elizabeth and friends' personal hands-on experiences in the field both inspire teens to engage in selfless, helping behaviors and educate them on where and how to find volunteer opportunities. This program aired on the station's main digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program is a musical variety show that is driven by three siblings, and empowers children to accomplish their goals and their dreams. AZE2 accomplishes this through interviewing people who excel in their profession and have a positive message for kids. As hosts, these children entertain and inform their audience through song, dance, music and dialogue. This show supports and encourages respect for others, having integrity, following directions, putting forth your best effort and taking responsibility. This program is an upbeat, diverse and entertaining series that will inform young people on a variety of subjects, while keeping their interest. This program aired on the station's secondary digital stream, 47.3.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program explores the marine ecosystem from tributaries, rivers and oceans to develop an understanding and let the viewer know that we are key in preserving the ocean environment. Aqua Kids teaches about the diversity and beauty of the marine environment and its potential destruction by pollution and carelessness of the human population; such as marine mammals dying from the ingestion of plastic and toxic waste in our waterways destroying the habitat and marine life. By showing the audience the problems they encounter, the Aqua Kids educate their peers on what can be done to solve environmental dilemmas. This program will air on the station's secondary digital stream; 47.2.
