Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Missing performs an invaluable public service by identifying young persons who are missing and alerting the public to this fact, all while carrying an important message for young people. The first responsibility of educators and parents towards children is their personal safety. Sadly, we live in a world which seems to grow less safe with time. The program "Missing," without overstating any dangers, educates children of all ages, as well as their parents, as to what possible dangers exist to their safety and illustrates specific ways of dealing with them via the show's safety tips. As such, it gives children a sense that they have the power and means to protect themselves when away from watchful eyes.

Days/Times Program Regularly Scheduled	Saturdays 9:30-10:00 a.m.
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Missing performs an invaluable public service by identifying young persons who are missing and alerting the public to this fact, all while carrying an important message for young people. The first responsibility of educators and parents towards children is their personal safety. Sadly, we live in a world which seems to grow less safe with time. The program "Missing," without overstating any dangers, educates children of all ages, as well as their parents, as to what possible dangers exist to their safety and illustrates specific ways of dealing with them via the show's safety tips. As such, it gives children a sense that they have the power and means to protect themselves when away from watchful eyes.
