Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	TREE FU TOM - This program is about a young boy, Tom, who enters the enchanted and magical kingdom of Treetopolis. He and his friends in Treetopolis invariably run into a problem or disaster that needs fixing. Tom then calls upon viewers to do original dance moves that will bring him "Big World" magic, so he and his friends can resolve the challenge of the day. The dance moves also get the viewer to exercise. The educational messages of the program reinforce positive socio-emotional content and use examples to model what it means to be loyal to your friends, how to ask for help, do the right thing rather than what is convenient, make an effort to share rather than be selfish, and rely on teamwork to accomplish a goal.
