Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	"Swap TV" is a weekly half-hour television series about two teenagers from different backgrounds "swapping" lives for a weekend. The series meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The programs explore the opposite lives of the participating youngsters as they learn about different cultures and family settings. Young viewers are exposed to the special interests of the "swapping" youngsters and what adjustments they make to a different life situation. The program teaches tolerance of various races, creeds and backgrounds while exposing an appreciation to someone else's way of life. Each episode is informative, entertaining and promotes good social values and respect. "Swap TV" is closed-captioned for the hearing impaired and displays the "E/I" icon throughout the broadcast.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Taste Buds is a weekly half-hour series for children aged 13-16 that encourages them to think about what they eat, be creative in the kitchen, and explore foods from the world around them. Viewers learn and laugh as the hosts cook up age-appropriate recipes and go on fun food adventures. Aqua Kids Adventures is designed and produced to educate children aged 13-16 about the importance of protecting aquatic environments and the animals that live in marine habitats. This weekly half-hour series strives to show teens that with a little dedication and the right attitude, they have the ability to make a difference within their own communities. In each episode, Host Molly and the Aqua Kids crew travel the globe while sharing their adventures and what they learn about preserving a world for everyone to explore. Whether it's saving sea turtles or participating in a beach cleanup, the Aqua Kids demonstrate the real and lasting contribution children can make in protecting the future of their community and the world. Age of Target Child Audience from 13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

"Swap TV" is a weekly half-hour television series about two teenagers from different backgrounds "swapping" lives for a weekend. The series meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The programs explore the opposite lives of the participating youngsters as they learn about different cultures and family settings. Young viewers are exposed to the special interests of the "swapping" youngsters and what adjustments they make to a different life situation. The program teaches tolerance of various races, creeds and backgrounds while exposing an appreciation to someone else's way of life. Each episode is informative, entertaining and promotes good social values and respect. "Swap TV" is closed-captioned for the hearing impaired and displays the "E/I" icon throughout the broadcast.

Program Title Word Travels (9.2 PSIP Secondary Digital Antenna TV)

Origination Network

Days/Times Program Regularly Scheduled Saturday 12-12:30 & 12:30-1p April 6 to June 29, 2014

Total times aired at regularly scheduled time 26

Length of Program 30 mins

Age of Target Child Audience from 13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.

"Word Travels" is a TV series that follows freelance journalist Robin Esrock and national travel columnist Julia Dimon as they battle deadlines, jetlag, culture shock - and each other - to file the best travel stories possible. While travelling to exotic locations and writing about enlightening experiences may sound like an adventurous occupation, the life of a travel writer is not always as glamorous as it seems. Filmed in 36 countries across six continents, each half-hour episode reveals the real story of professional travel journalism - the truth behind the byline, and reinvents the way travel shows are currently presented.
