Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Based on the book series "Astroblast!" by author and illustrator Bob Kolar, is set on a space station in an unknown solar system. The station is populated by five animal characters and one 3-eyed octopus of unknown derivation. Each episode begins with an everyday conversation or incident that grows into a predicament of some sort needing a solution. While these predicaments take place on a space station populated by animal characters and aliens from different galaxies, the issues and resolutions resonate for a preschool audience. Through comedy and zippy action, our target audience sees how the characters learn lessons for practical living such as how to: keep track of things that belong to you, practice good habits, clean up a space when you've made a mess, rebound from a failure or embarrassing incident, or resist the urge to blame others for your mistakes.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Is a show featuring the importance of health, fitness, and being good friends. Set in a fantasy world known as Lazy Town, which is populated by inactive residents, we meet a visitor named Stephanie who is determined to coax her friends and relatives into adopting a healthful, active life style. She wins over her new friends, Ziggy, Stingy, Trixie and Pixel, convincing them to leave their gaming consoles and candy stashes at home so they can go outside and play. She persuades her uncle, Mayor Milford Meanswell, and his friend Ms. Busy Body to support her efforts. Robbie Rotten, who lives underground, and is determined to return Lazy Town to its former state of inactivity and quiet, constantly foils the characters' efforts. The athlete Sportacus, who lives in a zeppelin-like aircraft and receives signals from the kids or the Mayor whenever they need help, frequently comes to their rescue. Sportacus has two goals, to keep the peace and to promote healthful, positive living. When Robbie Rotten is discovered and contained through comic pratfalls, he returns to his underground lair and all is well in Lazy Town, until another day and another time when Robbie will rise again

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Earth to Luna is a Brazilian animated series specifically aimed at teaching 2-5 year old children how to ask questions about nature and science and vigorously pursue the answers. The show encourages curiosity, research, and critical thinking. Each episode of the show is focused on a particular creature, object, or phenomenon that would be of interest to the target audience. For example, Luna might wonder how she can grow a plant without a seed and finds the answer through her inquiry process. The characters, Luna, Jupiter (her brother), and Clive (their pet ferret) embark on a research effort that takes the audience through each step that answers their overarching question. The show uses recurring features, signature phrases, and songs to cue the audience when they need to do research, when they transition to the adventure, and when they have reached the ending to review all they've learned.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	based on the book series by Lara Jones, models the use of imagination and storytelling to encourage creative thinking in viewers. Each episode features the narrator Lara, reading a story about Poppy Cat, to her own cat (who is also named Poppy). She weaves an exciting tale following her imagination, which leads her to distant lands reached by boat, plane, hot air balloon or train. Each story features Poppy Cat as the leader of a group of animal friends, the resident bully Egbert the badger, and other occasionally recurring characters. A prevailing message emerges within each episode to be nice to your friends and always work together. There remains an overarching implicit message within every episode as well: think creatively and exercise your mind through reading and storytelling - for these activities always lead to enjoyment and adventure.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	SAFARI TRACKS is an exciting and entertaining series of half-hour programs focused entirely on African wildlife. Filmed in exotic African locations, every show will explore the magnificent and mysterious world of Africa's animals, all in their natural habitat. Led by Ushaka, the show's young South African host, SAFARI TRACKS takes the viewer from the brushlands of the Savanna to the great Okavango, from the greatest game reserves to the most remote beaches of Madagascar - and beyond! We'll see everything from rare African birds to "creepy crawlers" to animal babies interacting with their mothers and siblings. SAFARI TRACKS will educate young viewers about wildlife conservation and show them how to better support efforts to protect endangered species. All of this while remaining fun, fast-paced and always surprising.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Is a preschool adventure/activity show where the lead characters travel to faraway lands to have adventures with their guide, a hamster named Hatty. Ruff Ruff, the dog, is the most playful of the three; Tweet is a little bird who loves to fly and get creative with her suggestions; and Dave the Panda has a thing for bananas. RRTD might go to the beach, or the mountains, or to strange lands with pillows everywhere; just the sort of place where imagination and logic come together. The settings are always brightly colored and beautiful. And their transport vehicles are Roly-pods, artful go-carts that fit on a spiral ramp that folds in and out of the Spin-Again, a colorful round spinning top with special compartments designed to anchor each vehicle right on the outside rim during the journey

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Is the space station and home of six animal characters in Bob Colars book series of the same name. The space station is managed by an over-confident and exuberant commander, Comet the dog. The crew includes, Sputnik the pig, a very knowledgeable reader; Haley, a rabbit, an athlete and Comet's true peer; Radar, the monkey, who is somewhat self-involved; Jet, a silent alligator whose gestures and expressions are his mode of communication, and Sal, a congenial three-eyed octopus who runs the counter in the space station cafe, the Smoothie Shack. While the space station supports the missions of a bizarre and diverse array of aliens, the Smoothie Shack is the hub of social interaction for the galaxy. There is always something happening at Astroblast and everyone on the crew has plenty to learn to keep the community happy and on an even keel.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Is based on the Poppy Cat's Adventures book series authored and illustrated by Lara Jones. A narrator, also named Lara, reads a story to her cat in each episode. This story stars the narrator's own Poppy Cat, who envisions and takes his friends on imaginary adventures. The friends are Zuzu, a Dalmatian who zips around on a skateboard; Alma, a southern belle bunny who is ultra-feminine and sweetly dramatic; Mo, a little mouse who tries his best to do as much as everyone else despite his size; Owl, the wise one who is prone to neck rolls and commentary when things irritate him or don't make sense; and the grouchy Egbert, an arrogant and obnoxious badger who refuses to play with the group and invariably attempts to sabotage their adventures. Occasionally Hilda, a forgetful and ditzzy pigeon who flies into their adventures, appears, says hello and provides misguided directions to the friends. Once their mission is accomplished, the friends return to their little village and resume their cheerful, active lives. At the conclusion of her story, Lara closes her book and says good-bye to Poppy Cat, who is usually ready for his nap.
