Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.	No children's television programming was broadcast during the preceding quarter due to extenuating circumstances. WEFC-TV is licensed to a Receiver, appointed by the United States District Court for the Southern District of West Virginia and is operating pursuant to low-power special temporary authority (see File No. BDSTA-20120601APY). Until a new transmitter can be installed and made operational, the station is broadcasting programs which are repeated frequently, but do not include children's programs. When the station resumes full-power operation, the licensee intends to resume the broadcast of children's television programming. Until that happens, due to the Receiver's lack of financial resources, it is not possible to present a schedule that includes children's television programs.
