Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Mama Mirabelle's Home Movies is designed to promote preschool children's appreciation and understanding of animal life and to foster their recognition of ways in which animal and human experiences are similar and different. For ages 2-6, the series has four educational and informational goals: (1) to foster understanding of animal customs and behaviors, (2) to encourage reflection on similarities and differences between their own lives and the animals' lives, (3) to introduce preschool children to an array of different animals in the kingdom and enrich their ability to describe and communicate about them and (4) to motivate preschool children to appreciate the wonder and beauty of animals and animal life. In each episode, children will be immersed in a topic that will be the basis of a compelling story with a problem and resolution. Sample topics include: grooming habits, communication, caring for the young, eating habits, shelter, etc. Children will leave the episode with a simple, clear understanding of how this topic can play out in the animal world. They will be exposed to a variety of situations/customs that will invite them to consider how this topic plays out in their own lives and what it means to them, e.g., what does shelter mean to me? How do I deal with cold weather? How do I communicate? etc.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	<p>Wibbly Pig is an animated preschool comedy series that takes the daily routine of a young child and finds humor and fun in every part of it. Wibbly simply does what children do. From day to day activities like getting into bed, wrapping a present or climbing a tree, to fantasy play like meeting a giant or going to the moon. Wibbly moves seamlessly in and out of fantasy play echoing the way children really interact and play. Wibbly turns the simplest tasks into a comedy routine, sharing it with his very best friend - the viewer. Wibbly engages the viewer by talking directly to the camera. This makes the viewer feel safe, included, involved and most of all, important. With highly regarded Creative and Educational Consultants onboard to ensure age-appropriate learning in every episode, preschoolers will gain a variety of skills including: - Early Academics: colors, shapes, numbers via preschool activities. - Social Skills: interactivity with the viewer and friends - Imaginative Play: springboards and inspirational ideas to fire-up children's play and imaginations Learning will also be reinforced through song in every episode. The program is regularly scheduled and airs between the hours of 7:00 am and 10:00 pm. The program is 30 minutes in length, and is identified as an educational and informational show, targeted to 2 to 6 year olds, at the beginning and throughout each broadcast and in listings provided to publishers of program guides.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	The main objective of the 104 live action and 2D digital segments is to show curious young viewers how everyday objects they encounter are designed and made. The series was filmed on location in Europe and North America in factories, workshops, and food plants. Each segment opens with an item to be investigated, followed by the two hosts, "Gear" and "Wiz," taking off on a voyage of discovery to understand the workings of the item and reveal the secrets behind how it is made. For ages 4-7, the series key educational and informational goals are to: 1) educate children about the workings of everyday objects and how they are made and 2) to introduce children to the many fascinating objects around them and spark curiosity and the desire to learn more about those objects.

Total times aired at regularly scheduled time	26
Length of Program	30 mins
Age of Target Child Audience from	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Wibbly Pig is an animated preschool comedy series that takes the daily routine of a young child and finds humor and fun in every part of it. Wibbly simply does what children do. From day to day activities like getting into bed, wrapping a present or climbing a tree, to fantasy play like meeting a giant or going to the moon. Wibbly moves seamlessly in and out of fantasy play echoing the way children really interact and play. Wibbly turns the simplest tasks into a comedy routine, sharing it with his very best friend - the viewer. Wibbly engages the viewer by talking directly to the camera. This makes the viewer feel safe, included, involved and most of all, important. With highly regarded Creative and Educational Consultants onboard to ensure age-appropriate learning in every episode, preschoolers will gain a variety of skills including: - Early Academics: colors, shapes, numbers via preschool activities. - Social Skills: interactivity with the viewer and friends - Imaginative Play: springboards and inspirational ideas to fire-up children's play and imaginations Learning will also be reinforced through song in every episode.
