Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This half-hour weekly series is designed and produced to educate children aged 13-16 about the rescue, rehabilitation and, in many instances, release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. This program seeks to educate viewers that there's a reciprocal benefit to sea animal rescue: rescued animals provide valuable insight into their biology and ecology and the information obtained adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue seeks to leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet. **The Saturday, 8/10/13 episode was preempted for live ABC network sports coverage of NASCAR Nationwide Series at Watkins Glen International. **The Saturday, 8/17/13 episode was preempted for live ABC network sports coverage of X Games Los Angeles. **The Saturday, 8/24/13 episode was preempted for live ABC network sports coverage of the Little League World Series International Championships. **The Saturday, 8/31/13 episode was preempted for ABC network sports program, RGIII: WILL TO WIN. **The Saturday, 9/14/13 episode was preempted for live ABC network sports coverage of college football. **The Saturday, 9/28/13 episode was preempted for live ABC network sports coverage of college football.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Young, enthusiastic and passionate about food, Claire Thomas is the 22-year-old host who opens viewers' eyes to how everyday life can inspire culinary creations in Food for Thought with Claire Thomas. Each weekly-half hour episode, produced for ages 13-16, informs and educates teens about the power of food as a tool for exploring new places, meeting new people and learning about different cultures. Claire serves as a role model for 13- to 16-year- old viewers by sharing stories in the kitchen that demonstrate her passion for her family, life, and healthy living. Creative inspiration can come from any place at any time - sometimes from family, sometimes from friends, sometimes even from bloggers seeking her help. No matter how exotic or local the location, she's always in search of new tastes and places to explore. Based on her unique perspective gathered throughout each episode, Claire will teach the audience how to prepare the inspired dish while promoting a healthy attitude towards food and life. **The Saturday, 7/6/13 episode was preempted for ABC network sports program, The Championships, Wimbledon 2013 Ladies Championship Encore. **The Saturday, 7/13/13 episode was preempted for live ABC network sports coverage of NASCAR Nationwide Series at New Hampshire Motor Speedway. **The Saturday, 7/20/13 episode was preempted for live ABC network sports coverage of The Open Championship Today. **The Saturday, 8/10/13 episode was preempted for live ABC network sports coverage of NASCAR Nationwide Series at Watkins Glen International. **The Saturday, 8/17/13 episode was preempted for live ABC network sports coverage of the Little League World Series Double Elimination Round. **The Saturday, 8/24/13 episode was preempted for live ABC network sports coverage of the Little League World Series International Championships. **The Saturday, 8/31/13 episode was preempted for live ABC network sports coverage of college football countdown. **The Saturday, 9/7/13 episode was preempted for live ABC network sports coverage of college football countdown. **The Saturday, 9/14/13 episode was preempted for live ABC network sports coverage of college football. **The Saturday, 9/21/13 episode was preempted for live ABC network sports coverage of college football countdown. **The Saturday, 9/28/13 episode was preempted for live ABC network sports coverage of college football.

Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. Section 73.671, NOTES 2 and 3.

This quarter, KABC-TV ran over 100 public service announcements (PSAs) on D1 and over 1,000 PSAs on D2/D3 specifically geared to children during various dayparts, including time periods in and around our children's programming. These PSAs covered subjects ranging from nutrition to education and volunteering. KABC-TV also produces the local public affairs/informational program Vista L.A., which showcases positive influences for young and old Latino viewers. KABC-TV also sponsors many community events throughout southern California. Some of the many events the station was involved with this quarter are: Prepare SoCal: ABC7 and the American Red Cross continued Prepare SoCal, a regional collaboration that includes the business community, government agencies, elected officials, families and individuals. Being prepared is the key to surviving a disaster, and Prepare SoCal wants to help viewers be prepared. We continued airing Public Service Announcements focusing on getting a kit and being prepared. Feed SoCal: ABC7, Vons and Southern California regional food banks partnered up for the 2nd annual Feed SoCal hunger initiative. The food drive took place during the month of July and included the following food banks in Southern California: Los Angeles Regional Food Bank, Second Harvest Food Bank Orange County, Second Harvest Food Bank Inland Empire and FOOD Share Ventura County. We produced and aired Public Service Announcements with Garth Kemp and Alysha Del Valle and we held four Stuff-A-Truck events on Friday, July 19, 2013 and Friday, July 26, 2013, with Garth and Alysha hosting them. Youth Service America (YSA): Aired Public Service Announcements calling on youth, ages 5 - 18, to submit their good works and apply for an ABC Summer of Service Award. There were ten winners selected from the Southern California area, and they received a \$1,000 award to help make a lasting, positive change in the world. Cool Kids: ABC7 sponsors the Cool Kids program year round, and on August 3, 2013 we hosted a Luncheon and Program for the Cool Kids and their family. They were given an award and a check for \$500. Members of ABC7 attended and Danny Romero was the Master of Ceremonies. Mexican Independence Day Parade: Promoted and broadcasted the Mexican Independence Day Parade live on September 8, 2013 as an hour and a half long Vista L.A. special. The Station provided all of the production resources for the televised event and Jovana Lara and Danny Romero hosted the telecast, with Robert Holguin and Leticia Juarez acting as roving reporters in the crowd. In addition, Ellen Leyva, Marc Brown, Alysha Del Valle and Sid Garcia rode in the Parade. Susan G. Komen Race for the Cure: Produced and aired Public Service Announcements with Eileen Frere, Michelle Tuzee and Ali Vincent, promoting their annual "Orange County Race for the Cure" which was held on September 22, 2013. Eileen Frere kicked off the first race and participated in the Survivor's Ceremony. Ali Vincent and her mother ran the race and recorded everything for her show, "Live Big with Ali Vincent". We manned a Booth in the Expo, where Michelle Tuzee, Ric Romero, Leticia Juarez, Eileen Frere and Ali Vincent all signed autographs.

This half-hour weekly series is designed and produced to educate children aged 13-16 about the rescue, rehabilitation and, in many instances, release back into the wild of ocean wildlife. Sea Rescue offers educational and entertaining television by demonstrating the welfare and medical benefits that rescue and rehabilitation programs provide animals. This program seeks to educate viewers that there's a reciprocal benefit to sea animal rescue: rescued animals provide valuable insight into their biology and ecology and the information obtained adds to the pool of knowledge necessary to conserve threatened and endangered species. Each week, Sea Rescue seeks to leave its audience inspired by the real-life stories of the featured animals and rescuers and with a fuller understanding of the rich array of sea life with which we share our planet.
