Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.0
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	3.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Program Title	BUSYTOWN MYSTERIES - I
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays, 8:00-8:30AM
Total times aired at regularly scheduled time	13
Total times aired	
Number of Preemptions	0
Number of Preemptions for other than Breaking News	
Number of Preemptions Rescheduled	
Length of Program	30 mins
Age of Target Child Audience	3 years to 7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Inspired by the beloved works of best-selling children's author Richard Scarry, Busytown Mysteries brings the popular adventures of Busytown to preschoolers with an educational, problem-solving twist. Children can follow classic characters such as Huckle, Sally and Lowly as they scour Busytown on fun-filled adventures looking for answers to life's puzzles. Each episode focuses on fostering viewers' problem solving abilities, as the characters use their skills of observation to collect facts, draw inferences from those facts, and ultimately reach conclusions. Each episode also develops vocabulary through words and concepts that are part of the episode's overall theme. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. Airs on the main digital stream.

Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Taste Buds is a weekly half-hour series for children aged 13-16 that encourages them to think about what they eat, be creative in the kitchen, and explore foods from the world around them. Viewers learn and laugh as the hosts cook up age-appropriate recipes and go on fun food adventures. With a group of young hosts who are culinary explorers, viewers will delve into the culture, history, science, and art behind the food. Each episode explores a new food theme, beginning with the simple phrase, "Foods that.." and rounding off with the hosts creating and customizing theme-inspired recipes that kids and parents will want to make together. Taste Buds communicates a positive message about healthy eating, kitchen safety, and environmental responsibility. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airls on the 2nd digital stream.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Aqua Kids Adventures is designed and produced to educate children aged 13-16 about the importance of protecting aquatic environments and the animals that live in marine habitats. This weekly half-hour series strives to show teens that with a little dedication and the right attitude, they have the ability to make a difference within their own communities. In each episode, Host Molly and the Aqua Kids crew travel the globe while sharing their adventures and what they learn about preserving a world for everyone to explore. Whether it's saving sea turtles or participating in a beach cleanup, the Aqua Kids demonstrate the real and lasting contribution children can make in protecting the future of their community and the world. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Real Life 101 is a weekly half-hour program designed and produced for children aged 13-16. Each episode finds hosts Christie and Shawn exploring new professions in the exciting world of work. Real Life 101 presents real people pursuing real jobs and careers in an educational and informational format designed to help its viewers make important decisions about preparing for the future. The careers and people featured are carefully selected in order to present vivid impressions that can be used by the young audience. From doctors, lawyers and veterinarians to career counselors, drug counselors and special effects wizards, Real Life 101 takes viewers "on the job" to understand why these professionals love what they do while teaching about jobs teens may not have known even existed. For more information visit rl101.com. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Major Decision is a weekly half-hour program designed and produced for children aged 13-16. Hosted by lively and entertaining teens, Major Decision helps guide viewers on the journey to choose the ideal career path. Each episode focuses on one career with an in-depth interview, a multi-faceted review, and career ranking. The importance of career guidance is highlighted in this series, which gives viewers a glimpse into the life of a different profession in each episode. As teens prepare for life after high school, Major Decision provides more information about the options available to them as adults. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Taste Buds is a weekly half-hour series for children aged 13-16 that encourages them to think about what they eat, be creative in the kitchen, and explore foods from the world around them. Viewers learn and laugh as the hosts cook up age-appropriate recipes and go on fun food adventures. With a group of young hosts who are culinary explorers, viewers will delve into the culture, history, science, and art behind the food. Each episode explores a new food theme, beginning with the simple phrase, "Foods that.." and rounding off with the hosts creating and customizing theme-inspired recipes that kids and parents will want to make together. Taste Buds communicates a positive message about healthy eating, kitchen safety, and environmental responsibility. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules; the objective and target audience is specified in this report; and the instructions for the E/I designation and appropriate age groups have been provided to publishers of program guides. Airs on the 2nd digital stream.
