Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Animal trainer Brandon McMillan operates a training facility known as the Lucky Dog Ranch, where his mission is to rescue hard-to-love and untrained dogs and find them homes. The show focuses on exercising responsibility and on developing a sense of appreciation for life and animals. Life lessons are an integral part of the overarching theme of rescuing these animals from death and providing a second chance for life. Following McMillan's investigations into how to retrain these animals to make them welcome members in the homes of families is both educational and inspirational - encouraging this demographic to become sensitive to our own and others' behavior and teaching how we as individuals can make a difference. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chronicling the adventures of Dr. Chris Brown, DR. CHRIS PET VET allows viewers unique insight into the life of one of the world's busiest vets and the animals that he treats. For those animals that require specialist services, Dr. Chris calls on his good friend and colleague Dr. Lisa Chimes, who works at a small animal specialist hospital. The show usually consists of three segments, following the doctor as he treats various animals that are in trouble and offering the viewer opportunities to understand the challenges a veterinarian daily aces. The series focuses on how the doctor investigates the individual problem and tries to develop solutions that on the surface would seem confounding to the viewer. As such the show not only offers a view into careers in and responsibility for taking care of pets, but also into problem solving strategies and behaviors. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	DogTown, USA is a story of the men and women who devote their lives to the healing and happiness of dogs - from every corner of the nation. Built on 33,000 acres of pristine land in Utah, DogTown, USA is the nation's preeminent facility dedicated to finding safe homes for abandoned dogs. Each week, DogTown, USA's highly skilled staff and internationally renowned experts first create a safe sanctuary for dogs from around the world. Then, "DogTown, USA's" medical professionals provide unique personal care to each dog, beginning the detailed process of rehabilitation in preparation for uniting each dog with a loving new family and home. DogTown, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. DogTown, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. DogTown, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.

Dream Quest is a weekly half half-hour series produced for children, 13-16 years of age. The series literally brings the world to young people and their families by fulfilling the desire to learn through experience. Our ship is a floating classroom designed to give families the real-life education of a lifetime. Lead by a seasoned captain, cruise director and highly skilled crew, Dream Quest brings families on an interactive voyage where they learn about the world's amazing oceans, the animals that swim beneath the water and the ecological advancements underway to preserve and protect our most precious resources. Each week, the Dream Quest crew utilizes the ship's indoor and outdoor specially designed facilities to engage a lucky family in a dynamic "classroom on the sea." Families will learn how scientific education can lead to careers that are rewarding and illuminating, while spending time together on amazing adventures. Teens will learn what it takes to pursue their dreams, and may be inspired to try something new along the way.

DogTown, USA is produced for ages 13-16 and will inspire young people to pursue their dreams while valuing the importance of dedicating oneself to the greater good of community and family. The series demonstrates the powerful interaction between humans and animals with a focus on our canine companions. DogTown, USA educates and informs the audience about canine training techniques and creating healthy environments for dogs. DogTown, USA's trained experts teach teen viewers how to be a responsible pet owner and maintain a safe and healthy lifestyle for both family and pet. Viewers will get to know - and care - about these dogs and the heroes who do whatever it takes to give them a second chance.
