Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Raggs is a musical & educational preschool series starring five colorful canines. They are not your average dogs - they're also talented musicians who make great rock 'n' roll music as The Raggs Band. With over 200 original songs, the power of the music & humor stimulate children to become actively involved in learning. Raggs introduces children to elements that span the preschool curriculum, working to nurture their sense of self & others, and to foster a strong motivation to learn and achieve. Each episode follows the band through engaging, emotional and humorous stories that rock the house and explore issues faced by real kids. The character's chemistry and friendship is immediately evident as they work through a series of creative and often humorous steps to find a successful conclusion to everyday challenges. Each show also focuses on the development of social and emotional skills, and models cooperation between friends.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Get ready for playful adventures with Chica as the doors of "The Costume Coop" open for business! Every preschooler loves to dress up and now they can join Chica, everyone's favorite chicken, for play dates that will take them under the sea, rocketing into space and time traveling back to caveman days. Set in a colorful, quirky shop stuffed to the beams with every kind of costume, accessory and prop imaginable. "The Chica Show" is a Sprout Original preschool sitcom that features animation, live-action and a whole lot of surprises. In every episode, Kelly, Chica, Mr. C and Mrs. C tend to what the customer at the Costume Coop that episode needs. Things often go wrong, in part, due to Chica, so Kelly tries to teach Chica the lesson of the episode. Then, Kelly, Chica, Stitches, and Bunji turn into cartoon characters and during this segment the characters emonstrate the lesson of the day that Chica has learned.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This workshop strives to stimulate children's respect for animals and with it, the values ??of solidarity and peace for all living beings. Children who are raised with pets gain many benefits, such as positive feelings toward the animal, self-esteem, and self-confidence. Positive relationships with pets also help in the development of trusting relationships, non-verbal communication skills, compassion, and empathy. The workshop will encourage respect, responsible ownership and care for the animals, as well as educating the audience about the basic care of different pets. A child who learns to care for an animal and to treat animals with love and patience learns an invaluable lesson about treating people equally.
