Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Zoo Clues will keep viewers engaged with the nearly infinite visual richness, animal characteristics and wild range of behaviours. Beyond basic engagement, zoo clues leaves viewers with a meaningful perspective about animals and comparisons to the own human characteristics. The variety of the animal kingdom is truly odd and bizarre enough to read like fiction but the clever narration of Zoo Clues links disparate information together in a way that always makes clear what viewers see is real, natural and relates to their own lives.
