The series literally brings the world to young people and their families by fulfilling the desire to learn through experience. Our ship is a floating classroom designed to give families the real-life education of a lifetime. Led by a seasoned captain, cruise director and highly skilled crew, Dream Quest brings families on an interactive voyage where they learn about the world's amazing oceans, the animals that swim beneath the water and the ecological advancements underway to preserve and protect our most precious resources. Each week, the Dream Quest crew utilizes the ship's indoor and outdoor specially designed facilities to engage a lucky family in a dynamic "classroom on the sea." Families will learn how scientific education can lead to careers that are rewarding and illuminating, while spending time together on amazing adventures. Teens will learn what it takes to pursue their dreams, and may be inspired to try something new along the way.
