**Digital Core  
Programming**

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 3.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 168.0    |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 3.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

| Age of Target Child Audience   | 13 years to 16 years   |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The Aqua Kids have an ambitious agenda: saving the oceans of the world. On that quest, Aqua Kids' explorers discover the wonders of the sea, its amazing creatures and the forces that threaten their survival. The "Kids" visit a variety of water environments from water management facilities to fresh water and brackish streams to the oceans of the world with the intent to motivate other kids to become active citizens on the issue of pollution of water environments. Goals of Aqua Kids are to bring lots of kids together, to teach tolerance of each other, to learn to work together and to improve our water environments so the animals and plants living in them will not disappear. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. The program is 30 minutes in length and is identified as an educational and informational show, targeted to 13 to 16 year olds, at the beginning of each broadcast and in listings provided to publishers of program guides. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally each week the show will provide practical tips that teens, and people of all ages can use in their daily lives. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. It is 30 minutes in length and is identified as an educational and informational show, targeted to 13 to 16 year olds, at the beginning of each broadcast and in listings provided to publishers of program guides. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Family Style with Chef Jeff is an educational and informative half-hour, E/I series that teaches viewers how making the right choices in the kitchen can lead to life-changing experiences for the entire family. Each episode features interesting and valuable health and nutrition information as viewers also learn how to cook healthier versions of some of our favorite dishes. Family Style uses unique structural components to help young viewers retain and reflect on important and current health-related information. The series also features nutrition quizzes, health tips, and Chef Jeff's own positive reinforcement. The goal of the series is to help young viewers make well-informed choices about their eating habits, nutrition, and health. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This series explores the genesis and reasons behind cultural events that permeate our everyday lives. Host Nzinga Blake opens each week with a list of what's trending on the web that week, which serves as a jumping-off point for a deep-dive into the culture that shapes us. The web is just the starting point for Nzinga in her quest for knowledge. Culture Click is a highly interactive journey that evokes curiosity about our world. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The Aqua Kids have an ambitious agenda: saving the oceans of the world. On that quest, Aqua Kids' explorers discover the wonders of the sea, its amazing creatures and the forces that threaten their survival. The "Kids" visit a variety of water environments from water management facilities to fresh water and brackish streams to the oceans of the world with the intent to motivate other kids to become active citizens on the issue of pollution of water environments. Goals of Aqua Kids are to bring lots of kids together, to teach tolerance of each other, to learn to work together and to improve our water environments so the animals and plants living in them will not disappear. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. The program is 30 minutes in length and is identified as an educational and informational show, targeted to 13 to 16 year olds, at the beginning of each broadcast and in listings provided to publishers of program guides. |

| Total times aired at regularly scheduled time  | 13   |
| Length of Program  | 30 mins  |
| Age of Target Child Audience from  | 13 years to 16 years   |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Eco Company explores all aspects of being "green" and understanding how our actions impact the world. The E-Co team find out about global warming by asking questions to discover the truths and myths of the global warming issue. They learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They learn more about recycling, conservation and organics. The E-Team profiles teens and school organizations who have taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future. Most importantly, each story and each feature is reported by teens and told from their perspective. Additionally each week the show will provide practical tips that teens, and people of all ages can use in their daily lives. The program is regularly scheduled and airs between the hours of 7:00am and 10:00pm. It is 30 minutes in length and is identified as an educational and informational show, targeted to 13 to 16 year olds, at the beginning of each broadcast and in listings provided to publishers of program guides. |
