Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Awesome Adventures is an adventure series for children. This award winning adventure/travel show takes teens, ages 13 to 16, on incredible journeys all over the world. The destinations and activities are diverse, from snowboarding down the Alps in Switzerland, to visiting a rain forest in Costa Rica. The focus of this show is to entertain as well as educate the viewer about the world around them. This is truly a "family-friendly" program.
