Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital Noodle and Doodle is an instructional series that features creating art projects and cooking projects around a specific theme. The show is hosted by Sean, who drives around in a double-decker bus fully equipped with art supplies, and a kitchen, all ready for any assignment. The projects encourage parent engagement and often feature families working together to make something for display in the child's home. Sean is accompanied by Doggity, an ever-faithful Beagle dog, who transforms into an animated character during interstitial trips to a parallel universe and kitchen full of prank playing animated characters. While the show will be enjoyed by preschoolers, the projects are very practical and engaging to implement for children ages 5-8. The art projects typically feature lessons on a recycling materials for re-use in making art and always demonstrate that creativity can transform something intended for one purpose into something useful to achieve a completely different goal.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital Justin Time features a little boy, Justin, who wants very much to master his destiny, have great adventures, and solve problems. He begins with a problem that vexes him and daydreams his way into an adventure that takes him to different places around the world, providing him with an experience to help solve his problem when he returns home. Justin is accompanied by two imaginary friends throughout his adventures; Olive, a knowledgeable playmate, and Squidgy, the morphing flying sponge, who provides commentary and comedy along the way. Some examples of Justin's lessons involve learning that it takes focus to achieve success, our failures can teach what we need to do to succeed next time, or when one path to solve a problem doesn't work, you can find an alternative way to achieve your goal. Justin promotes self-directed learning from the young child's perspective and imagination.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus, a gymnast/athlete prepared to answer any call for help, comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities including playing games, competing athletically, and even building forts and play structures.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast METV Utilizing humor as a powerful learning tool, GSA sparks enthusiasm for writing through age appropriate sketch comedy, orginal songs, puppetry, and story theatre. By basing the stories on the writing of elementary school students, ages 7-13, children get the message that their words have power, and that their voices are being heard. GSA proides something that educators can't necessarily offer or replicate in a school setting, as it gives students a real world connection to their writing. Young students have the opportunity to understand the impact of writing on a broader audience by submitting their own writing to the show for consideration and adaptatin. Green Screen's company of performers and writers reinforces critcal writing skills and empasizes positive social messages in additin to academic skills, GSA focusus on the five C's: Creativity, Curiosity, Confidence, Citizenship, Compassion.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Mystery Hunters is an excellent example of a children's program that is innovative and empowering. Through critical observation, analytical thinking and scientific testing,the series encourages children to question the world around them. Through both the travel aspect and investigation of ancient myths and mysteries, there is a profound focus on history, culture, geography, and international customs. The Mystery Hunters are Araya and Christina, regular kids with inquisitive minds, who travel the globe to investigate the sites and delve into the tales which have baffled people throughout the ages looking for the Loch Ness Monster, unraveling a smelly mummy, searching for Princess Anastasia, and learning the true story of King Tut. Armed with video cameras and their instincts, they gather facts and meet the experts, debunking common myths and offering explanations for legends, spooky stories, and unexplained phenomena. They use critical thinking and scientific reasoning to show that things are not always what they seem. Back at the Discovery Mystery Lab, Doubting Dave, the resident skeptical scientist, challenges viewers to send in their own mysteries, and then tackles the questions with experiments and logical explanations. Dave also assists the Mystery Hunters with their investigations.

Main Digital Noodle and Doodle is an instructional series that features creating art projects and cooking projects around a specific theme. The show is hosted by Sean, who drives around in a double-decker bus fully equipped with art supplies, and a kitchen, all ready for any assignmenet. The projects encourage parent engagement and often feature families working together to make something for display in the child's home. Sean is accompanied by Doggity, an ever-faithful Beagle dog, who transforms into an animated character during interstitial trips to a parallel universe and kitchen full of prank playing animated characters. While the show will be enjoyed by preschoolers, the projects are very practical and engaging to implement for children ages 5-8. The art projects typically feature lessons on a recycling materials for re-use in making art and always demonstrate that creativity can transform something intended for one purpose into something useful to achieve a completely different goal.

Origination	Network
Days/Times Program Regularly Scheduled	Saturday 1130-12P
Total times aired at regularly scheduled time	12
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital Justin Time features a little boy, Justin, who wants very much to master his destiny, have great adventures, and solve problems. He begins with a problem that vexes him and daydreams his way into an adventure that takes him to different places around the world, providing him with an experience to help solve his problem when he returns home. Justin is accompanied by two imaginary friends throughout his adventures; Olive, a knowledgeable playmate, and Squidgy, the morphing flying sponge, who provides commentary and comedy along the way. Some examples of Justin's lessons involve learning that it takes focus to achieve success, our failures can teach what we need to do to succeed next time, or when one path to solve a problem doesn't work, you can find an alternative way to achieve your goal. Justin promotes self-directed learning from the young child's perspective and imagination.

Program Title	Lazy Town
Origination	Network
Days/Times Program Regularly Scheduled	Saturday 12-1230P
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital Lazy Town encourages fitness and healthful habits for preschool children. In the imaginary setting of Lazy Town, characters' eating and fitness habits are linked to problem solving in their world. The lead character is Stephanie, a young girl who guides the audience through the story as she and her friends ("human" puppets) and her Uncle (Mayor Milford Meanswell) navigate life within Lazy Town. Robbie Rotten, the underground spy and influencer who personifies the ethos of Lazy Town, is determined to ruin the health and fitness practices of Stephanie and her friends. When the kids have difficulty with Robbie Rotten, Sportacus, a gymnast/athlete prepared to answer any call for help, comes to the rescue from his home in a zeppelin-like aircraft that hovers over earth. The underlying themes of Lazy Town stress the importance of eating "sports candy" (aka fruits and vegetables), always obtaining sufficient sleep, and going outside to engage in a wide range of physical activities including playing games, competing athletically, and even building forts and play structures.

Origination	Network
Days/Times Program Regularly Scheduled	Saturday 1230-1P
Total times aired at regularly scheduled time	13
Length of Program	30 mins
Age of Target Child Audience from	2 years to 6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Main Digital Zou is a French series based on the Zou books by Michel Gay. Targeted for children age 2-5, each episode explores the kind of learning issues that emerge from every day encounters in the life of a preschool child. If Zou plays his drums too loud, how can he learn to play them softly? If Zou wants a car, but has only a cardboard box, how can he transform it? If Zou lost his friend's favorite airplane, how does he explain? How can Zou be successful at baking a cake if he has never done it before? How can Zou muster the courage to go to the doctor when he's afraid of injections? These are big issues in the mind and life of a preschool child and Zou demonstrates how to have fun, ask for help, listen to advice, and try different solutions until he can commit to the strategy that works. The show says it, shows it, and does it, in the embedded and naturally occurring lesson within each episode.

Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Multicast Mystery Hunters is an excellent example of a children's program that is innovative and empowering. Through critical observation, analytical thinking and scientific testing,the series encourages children to question the world around them. Through both the travel aspect and investigation of ancient myths and mysteries, there is a profound focus on history, culture, geography, and international customs. The Mystery Hunters are Araya and Christina, regular kids with inquisitive minds, who travel the globe to investigate the sites and delve into the tales which have baffled people throughout the ages looking for the Loch Ness Monster, unraveling a smelly mummy, searching for Princess Anastasia, and learning the true story of King Tut. Armed with video cameras and their instincts, they gather facts and meet the experts, debunking common myths and offering explanations for legends, spooky stories, and unexplained phenomena. They use critical thinking and scientific reasoning to show that things are not always what they seem. Back at the Discovery Mystery Lab, Doubting Dave, the resident skeptical scientist, challenges viewers to send in their own mysteries, and then tackles the questions with experiments and logical explanations. Dave also assists the Mystery Hunters with their investigations.
