Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Raggs is a musical and educational preschool series starring five colorful canines. They are not your average dogs, they are also talented musicians who make rock 'n' roll music as the Raggs Band. With over 200 original songs, the power of music and humor stimulate children to become actively involved in learning. Raggs introduces children to elements that span the preschool curriculum, working to nurture the sense of self and others, and to foster a strong motivation to learn and achieve. Each episode follows the band through engaging, emotional and funny stories that rock the house and explore issues faced by real kids. The character's chemistry and friendship is immediately evident as they work through a series of creative and often humorous steps to find a successful conclusion to everyday challenges. Each show also focuses on the development of social and emotional skills, and models cooperation between friends.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Get ready for playful adventures with Chica as the doors of the "Costume Coop" open for business. Every preschooler loves to dress up and now they can join Chica, everyone's favorite chicken, for play dates that will take them under the sea, rocketing into space and time traveling back to caveman days. Set in a colorful, quirky shop stuffed to the beams with every kind of costume, accessory and prop imaginable. "The Chica Show" is a Sprout original preschool sitcom that features animation, live-action, and a whole lot of surprises. In every episode, Kelly, Chica, Mr. and Mrs. C tend to what the customer at the Costume Coop that episode needs. Things often go wrong, in part, due to Chica, so Kelly tries to teach Chica the lesson of the episode. Then, Kelly, Chica, Stitches and Benji turn into cartoon characters that demonstrate the lesson of the day that Chica has learned.
