Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	(27.1)Culture Click is a weekly half-hour series, developed and produced for viewers aged 13-16, that explores the genesis of - and reasons behind - cultural events that permeate our everyday lives. Host Nzinga Blake opens each episode from her virtual reality set with a list of what's trending on search engines that week. These topics will serve as a jumping-off point for a deep dive into the culture viewers 13-16 will embrace. Each week Nzinga will analyze and answer the questions that shape our society - using the power and speed of the internet and user-generated questions and content. Experts in pop culture will join her to add insight and historical perspective. And most importantly, viewers will come away with a week's work of "aha" moments to share with their friends and family. Six degrees of separation takes on a whole new meaning, and there's no limit to what viewers will learn when they experience Culture Click.
