| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | What does it mean to "go green" as a teen? More and more young people want to know the answer to that question. Now there's Eco Company, a national TV show hosted by a dynamic group of teens who combine their natural curiosity with their enthusiasm to preserve the planet they will inherit. Every week Eco Company explores all aspects of being green and understanding how we impact our world. From reporting on the latest technologies in energy, recycling, conservation and organics to sharing the stories of young people making a positive impact on the environment and the world we live in. In addition, Eco Company provides weekly tips that people of all ages can use in their daily lives. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The mission of Teen Kid News is to produce a weekly news program that will provide information and news to kids in a manner that is compelling as well as highly entertaining. It is designed to appeal to the audience on its own level. The focus of the program is young people, always letting them tell their stories in their own words. The large, diverse news anchor team will be unique in television and have great appeal to kids who will identify and emulate them. The program will serve the audience in a way that will make a real difference in their lives. It will insert the clear voice of the kids into the adult-dominated media and provide a unique perspective to the news that is not currently available on network television. |
