| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | What is Dr. Wonder's Workshop? It is the first weekly 30-minute Christian television series ever created in American Sign Language especially for Deaf children. The program is a joint effort of Silent Blessings in Indianapolis, IN, Deaf Video Communications (DVC) near Chicago, IL, and Deaf Missions. The goal of Dr. Wonder's Workshop is to teach positive values and life skills to children, both deaf and hearing, and to show them how the Bible is relevant for their lives. Each episode has a theme, such as being fair, respecting others, trusting God, obedience, honesty and learning to share. The program is set in the small inventor's lab of Dr. Leward Wonder, a Christian Deaf engineer. The lab is just down the street from The Finger Food Cafe. Dr. Wonder and his team of highly creative deaf friends, including Pops (the animatronic puppet), create amazing inventions and, in the process, learn more about God and each other. |
