Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each week a host and two different teenagers travel to exciting and exotic locations all over the world. From the highlands of Scotland to the frozen tundra of Alaska, AWESOME ADVENTURES informs, entertains and educates about the history and cultures of the places visited. Each journey is a lesson in the beauty of nature, its creatures, and the people who inhabit the land. The shows are not to be "preachy" or overly pedantic, but rather, the goal is to make the learning fun.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each week Jarod looks at exotic and domestic animals from his own unique perspective. Every week Jarod travels to zoos and aquariums to explore animals that fit a particular theme, whether it's the need for speed or animal heroes - there's always something amazing happening. It is the mission of this program to inspire viewers, children and adults alike, to preserve the innate human instinct to explore. The producers design each episode to reveal to children the world around them in a way that identifies positive role models and pro-social values within an environmentally responsible universe

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Each week a host and two different teenagers travel to exciting and exotic locations all over the world. From the highlands of Scotland to the frozen tundra of Alaska, AWESOME ADVENTURES informs, entertains and educates about the history and cultures of the places visited. Each journey is a lesson in the beauty of nature, its creatures, and the people who inhabit the land. The shows are not to be "preachy" or overly pedantic, but rather, the goal is to make the learning fun.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. Hosted by emmy-award winning actress Mariette Hartley, who has committed herself to fighting for the rights of animals for over 20 years. WILD ABOUT ANIMALS explores the world of animals and places they live. From the gorges of Belize to the plains of Africa WILD ABOUT ANIMALS gives its viewers a front row seat to the world's most exotic animals. Also featured are heartwarming stories of animal rescues and animal heroes. Each episode will consist of four different stories designed to teach children specifically in the 13-16 age group about both exotic and unique animals as well as educate them further about animals they see everyday.

Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming. This series consists of stories of young achievers filmed all over the U.S., introduced by celebrities in their field of talent. Youth profiled in the program show their adoptions of pro-social values and principles that have become the ethos of their behavior. Thus the characteristics demonstrated by the stories of these youth give rise to adherence to these sound choices that have given them "the real winning edge". The Real Winning Edge promotes the values through these very engaging positive youth role models. The celebrities involved in the program reinforce these values by calling attention to these youths' qualities as they are exhibited in the program.
