Each story features Poppy Cat, as the leader of a group of animal friends, a resident bully Egbert the badger, and other occasionally recurring characters. A prevailing message emerges within each episode to be nice to your friends and always work together. There remains an overarching implicit message within every episode as well: think creatively and exercise your mind through reading and storytelling - for these activities always lead to enjoyment and adventure.

Program Title	Chica 5.1
Origination	Network
Days/Times Program Regularly Scheduled	Saturdays 9am
Total times aired at regularly scheduled time	11
Length of Program	30 mins
Age of Target Child Audience from	2 years to 5 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Chica is a five-year-old "baby" chick who spends her days with her parents in their costume shop, the Coop. The shop's one employee, Kelly, doubles as Chica's nanny and the ensemble is rounded out with Bunji, a large floppy eared rabbit and Stitches, a straw mannequin that sits in the window. In each episode Chica develops or encounters a problem that she cannot immediately resolve. Usually her issues involve impulse control, distractibility, judgment, and inter-personal behaviors. She and Kelly usually work on the problem through an adventure-a fantasy transformation to animation-- where Bunji and Stiches come alive and join Chica and Kelly for the problem solving process. The core educational content is primarily socio-emotional development, and Chica learns how to express herself properly, think before she acts, and interact with others effectively. She often learns that it takes hard work and practice to become proficient at different skills.
