**Digital Core  
Programming**

| Question  | Response |
|---|----------|
| State the average number of hours of Core Programming per week broadcast by the station on its main program stream  | 5.0      |
| State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream  | 0.0      |
| State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:  | 0.0      |
| Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?  | Yes      |
| Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams? | Yes      |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The music-driven MUSTARD PANCAKES celebrates the joy of childhood through the power of music, storytelling and appealing characters. The show's nurturing environment features a cast of colorful and adorable puppet characters who support each other's growth and work together to overcome the day-to-day challenges all children face. Mustard Pancakes is designed to contribute to preschool children's social and emotional development, with a secondary focus on literacy and storytelling. The program deals with such topics as cooperation, diversity, respect for others, and coping with failure. It supports development of creativity and literacy by encouraging children to share their own stories. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This series introduces viewers to some of the most incredibly talented young people in America. But it's more than a showcase for kids with exceptional talent and athleticism. It's about teenagers who've built character through their struggles with cancer or death of a loved one. It's about kids who have come face-to-face with drug abuse and peer pressure without losing their focus on their goal. Through interviews and profiles, these remarkable young people provide honest answers about how they dealt with adversity in their lives. Each half-hour program includes three segments featuring the personal stories of outstanding young people. The stories are introduced by an all-star team of high profile, professional celebrities that include NASCAR's Jeff Gordon, Super Bowl star David Tyree of the New York Giants, NBA celebrity Dwight Howard, Olympic champions like Apolo Anton Ohno, Misty May-Treanor and Bryan Clay, music stars such as Julianne Hough, and top names from extreme sports such as Shaun Murray and Andy Finch. The Real Winning Edge is pure inspiration. It is a program that encourages young people to see beyond their own circumstances and realize they are not alone in their struggles. It is a program that instills confidence in teenagers who are reaching for their own dreams. It is a program that delivers a strong message of hope and optimism for the future of America's youth. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program follows a magazine format with segments ranging from major & indie artist interviews, tutorials and how-to's, producer and music executive tips, Internet heroes, The Vault (legendary artists), and music as it pertains to fashion and pop culture. It meets educational and information objectives to qualify as Core Programming through its focus on the following: 1. Making choices in life is an ongoing subject. A challenge faced by all Teens in this category. 2. Provides a good impetus for Teens being committing to their music education - giving them the ability to get scholarships, and a good positive medium for reaching their career goals. 3. Makes Teens aware of past and present music history. 4. Hosts interview up-and-coming musical artists about their inspirations - emphasizing their education - showing Teens how they can make their own voices heard. 5. Attributes and advice, emphasized by the hosts and their guests, instill a grounded balance of priorities, commitment, and perseverance Teens can apply to their lives. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Pretty Raf, a young angel lives in Angel Town, the metropolis of the angels. Along with her best friends, she attends a special class in school that will transform them into 100% Guardian Angels!!! Angel's Friends focuses on areas of particular concern to young teens including social themes and coping strategies through school life of animated teenaged angels. Kids are taken on an inspirational journey that stirs their spirit and provides moral tools for the decisions they face in everyday life. The multi-ethnic angels serve as role models for young teen viewers as they deal with such issues as the right to say "no," the meaning of heroism, bullying and other issues of particular concern to the target age group. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The series entertains and informs the audience through song, dance, music and dialogue. Boys and girls between the ages of 13 and 16 will be interested in watching each episode to learn something new and pertinent to adolescent life, including following dreams and setting goals. Such character education is an integral part of academic education, as well as family life. This show supports and encourages respect for others, having integrity, following directions, putting forth best effort and taking responsibility, while being fun, upbeat and diverse. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Pretty Raf, a young angel lives in Angel Town, the metropolis of the angels. Along with her best friends, she attends a special class in school that will transform them into 100% Guardian Angels!!! Angel's Friends focuses on areas of particular concern to young teens including social themes and coping strategies through school life of animated teenaged angels. Kids are taken on an inspirational journey that stirs their spirit and provides moral tools for the decisions they face in everyday life. The multi-ethnic angels serve as role models for young teen viewers as they deal with such issues as the right to say "no," the meaning of heroism, bullying and other issues of particular concern to the target age group. |
