This license expires 3:00 a.m.
local time, February 01, 2022.

This authorization re-issued on October 9, 2019 to reflect the change in the Time Share Agreement.

Subject to the provisions of the Communications Act of 1934, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this license, the licensee is hereby authorized to use and operate the radio transmitting apparatus herein described.

This license is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such broadcasting service as will serve the public interest, convenience, or necessity to the full extent of the privileges herein conferred.

This license shall not vest in the licensee any right to operate the station nor any right in the use of the frequency designated in the license beyond the term hereof, nor in any other manner than authorized herein. Neither the license nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This license is subject to the right of use or control by the Government of the United States conferred by Section 606 of the Communications Act of 1934.

Special operating conditions or restrictions:

- 1 The permittee/licensee in coordination with other users of the site must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.
- 2 Grant of this license application is conditioned on the continuous operation of the licensed facility for the twelve-month period following grant. The failure of the facility to so operate will result in the rescission of this grant, dismissal of the license application and the forfeiture of the associated construction permit pursuant to 47 C.F.R. § 73.3598(e) unless the licensee rebuts the presumption that the authorized facilities were temporarily constructed.

Special operating conditions or restrictions:

- 3 The channel authorized herein has been reserved solely for noncommercial educational use pursuant to 47 C.F.R. § 73.202(a)(1)(ii). The technical facilities specified in this authorization meet that Rule's required levels of first and second noncommercial educational service. Accordingly, the permittee/licensee must construct and operate with substantially the same technical facilities proposed.
- 4 Pursuant to 47 C.F.R. § 73.7005(a) the permittee/licensee shall be subject to a holding period. From the grant of the construction permit and continuing until the facility has achieved four years of on-air operations, the permittee/licensee proposing to assign or transfer the construction permit/license to another party will be required to demonstrate the following two factors: that the proposed buyer would qualify for at least the same number of points as the assignor or transferor originally received; and that consideration received and/or promised does not exceed the assignor's or transferor's legitimate and prudent expenses as defined therein.
- 5 Pursuant to 47 C.F.R. § 73.561(b)(1), the Time-Sharing Agreement between Capital Community Television, Inc. and Mano a Mano Family Center is hereby made a part of the terms and conditions of this authorization.

In accordance with the Time-Sharing Agreement, the following hours of operation are specified:

Allotted time for Capital Community Television, Inc.:
6:00 PM to 10:00 AM Pacific time Monday through Friday
6:00 PM to 10:00 AM Pacific time Saturday and Sunday

Allotted time for Mano a Mano Family Center:
