Dear Licensee:

This refers to your attorney's letter dated July 20, 2015 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that due to an amplifier failure, KITU-TV operates at approximately 60% of its authorized licensed power.

You state that reduced power operations will continue to be necessary while the applicant is trying to repair or replace the equipment and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until January 23, 2016 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first name "Kevin" being the most prominent.
